

Updates

After successful launch the very First Issue of Second Volume, we are now stepping into Second Issue.

First Issue of Volume Two was launched on 20th Jan, 2013.

JBINO registered under the seal "International Standard Serial Number" (ISSN).

The Journal has got steep growth of indexing with online data banks.

As we always claim Editorial and Advisory Board as an asset to shape the JBINO, it has recently acquired a new shape with scholars from broad areas of life sciences gracing the board.

Editorial and Advisory Board will be receiving the issues in the following month.

The Journal invites the research or review articles for the forth coming issues.

Editor's Note

We would like to thank all the Reviewers for their efforts and commitment towards reviewing the papers that helped to improve the standards of the Journal.

Thanks to all the authors of respective papers for careful consideration and abide to the rules of the journal. Your continuous support and encouragement would take the Journal to new level that allows us to provide the world with enriched Quality of Research Works.

Our Immediate and Near future target is to get the most awaited Impact Factor.

Our gratitude to all the Reviewers, Authors and Subscribers for letting us know the areas of improvement in maintaining the standards.

ISSUE - MARCH 2013

Insights of the Issue

Newsletter - Explore the World of Bio Innovations

About the Journal:

Journal of Bio Innovation (JBINO) is an effort of **Innovative Association**, encouraging Research Scholars, Students in the field of Life Sciences and its allied fields to share their knowledge in the form of research and review articles. Currently we are operating the Journal as an e-Journal with all the publications online.

Our aim is to get involved in the World of Bio Innovations and encourage the Research scholars, Graduates across the globe and spread the research activities going on in the Life Sciences.

Following codes of standard, the Journal is ready to publish any of the innovative work in Life Sciences, be it a Short communication, a Review or a Research work.

Free Access:

The research articles launched till date includes various areas of Life Sciences. We are happy to announce that we had launched Six Issues under First Volume are launched.

Innovative Association determined to provide a restriction free access to the articles, to all the users and viewers. This comes from the motive of the Journal to spread the free knowledge to everyone.

Indexing:

The Journal is indexed with below online data banks:

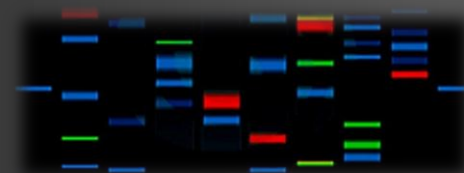

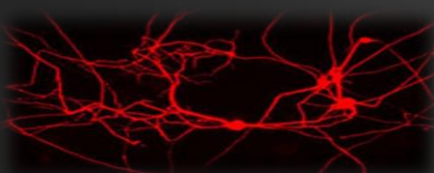

- ✦ [Electronic Journals](#)
- ✦ [Journal Seek](#)
- ✦ [Academic Keys](#)
- ✦ [New Jour](#)
- ✦ [Research Bib](#)
- ✦ [Chemical Abstracts](#)
- ✦ [Science Central](#)

Please visit the website for more information or mail us.

Website:

The [website](#) is built to target the *Life Sciences* audience to access the Bio Innovations / Research/ Review articles designed by the pioneers in their respective fields.

Aims at easy access of the manuscripts and assists the new authors in reaching the standards.

Welcoming Forth Coming Issues:

With the momentum from the first volume, we would like to invite the Pioneers or Researchers to publish their work in the field of Life Sciences in the forth coming issue and showcase it to the World of Bio Innovations through our Journal of Bio Innovation.

- | | |
|-------------------------------------|-------------------------------------|
| ✦ Bio Instrumentation / Bio Physics | ✦ Genetics |
| ✦ Bio Technology | ✦ Genomics and Proteomics |
| ✦ Biochemistry | ✦ Immunology |
| ✦ Bioinformatics | ✦ Microbiology |
| ✦ Cardio Vascular Sciences | ✦ Molecular Cell Biology |
| ✦ Drug Discovery and Development | ✦ Neuro Science |
| ✦ Endocrinology | ✦ Oncology |
| ✦ Evolution and Ecology | ✦ Oral Sciences |
| ✦ Fermentation Technology | ✦ Pharmacology |
| ✦ Food Sciences | ✦ Plant Sciences and Tissue Culture |
| ✦ Forensic Sciences | ✦ Structural Biology |

We welcome any research in the Life Sciences!!!

Send your manuscripts to j.bioinnovation@yahoo.com
